CeraVe®

DEVELOPED WITH DERMATOLOGISTS

Skin Renewing Vitamin C Serum

Visibly brightens to even skin tone while providing antioxidant benefits

Helps restore the protective skin barrier

With 3 essential ceramides, hyaluronic acid, & vitamin B5

10% PURE VITAMIN C

1 FL OZ (30 ml)

Skin Renewing Vitamin C Serum

Developed with dermatologists, this unique formula - with 3 essential ceramides & 10% pure vitamin C - visibly brightens while helping to restore the protective skin barrier.

Potent antioxidant L-Ascorbic acid (the purest form of vitamin C) helps to even skin tone and continuously brighten while helping to defend against free radicals, providing antioxidant benefits. Gentle, lightweight formula, with 3 essential ceramides, vitamin B5 & hyaluronic acid, helps restore the protective skin barrier and improve skin hydration, leaving skin soft, radiant, and healthy-looking. Skin appears visibly brighter and even toned with improved texture.

Non-comedogenic | Paraben-free | Fragrance-free

Directions: Apply evenly to face and neck daily. Avoid eye area. If contact with eyes occurs, rinse thoroughly with water. Store in a cool, dark place.

Note: Protective packaging helps prevent oxidation to maintain product performance. Formula may still experience a change in color over time, but will remain effective.
