## Who are we?

---

Nader Nahar Al-Ruhaily Trading Establishment offers solutions for all logistical needs, including road transport, third-party services, storage, delivery, and packaging.

We meet our clients' expectations with the reliability and quick response we are known for, enabling us to support the ambitious plans of our partners. We take on the task of connecting them to the five continents, the seven seas, and the sky.

## Mission

To build fruitful and sustainable partnerships with clients and suppliers by providing highly efficient, flexible, and swift logistical services that adapt to the changing market demands

## VISION

To be the leading establishment in providing an exceptional customer experience by offering tailored logistical services that meet each client's unique needs and exceed expectations

# Our Core Business

---

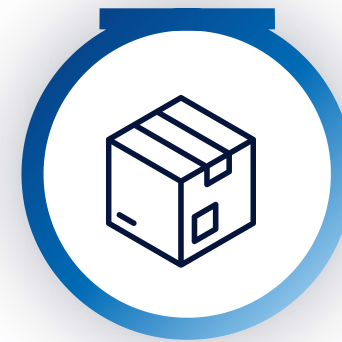

## Storage

Infrastructure of dry and temperature-controlled warehouses in the three main cities

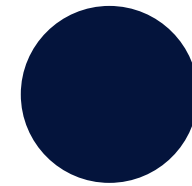

## Transportation and Distribution

A qualified, trained, and experienced team, dedicated to providing warehouse management, loading, and unloading services

## Freight Shipping

A regional transportation network ensuring full access to all areas of the Kingdom, with various local shipping solutions (LTL and FTL).

**NADER NHAR ALREHAILI**

## Corporate Social Responsibility (CSR)

---

### **Compliance with codes of practices**

We adhere to laws and social norms both locally and internationally, act fairly, and maintain transparent business operations, free competition, and appropriate dealings.

### **Proactively working on environmental initiatives**

We proactively address environmental issues, which are essential for conducting corporate activities as well as sustaining businesses.

### **Protection, management, disclosure of information, and communication with the community**

We appropriately protect and manage information related to projects and individuals, and work towards achieving extensive interactive communication with the community.

### **Initiatives towards social responsibility**

We actively participate in social contribution initiatives as a responsible corporate citizen, and support such activities for the group's employees.

Based on our strong support for Saudi Arabia's Vision 2030, we are committed to transforming the Kingdom into a central regional logistics hub connecting three continents. We are currently working towards achieving the goals of Vision 2030
